

STUDENT EXCHANGE AGREEMENT between
Institut National Polytechnique de Toulouse – Toulouse INP
and
Universidad de Cuenca

This agreement is to promote the exchange of students and thereby partly implement the ideals expressed in the Memorandum of Understanding between the two institutions concluded on (Date)_____.

1. Institut National Polytechnique de Toulouse (hereinafter referred to as “Toulouse INP”) and Universidad de Cuenca will exchange students under the following terms:

1.1 Nomination of exchange students

Each exchange student shall be nominated according to the relevant procedure and at the direction of the home institution. The host institution will admit exchange students according to its established policies and procedures. It is understood that the host university reserves the right to reject any candidates in which case the home university may nominate additional candidates for consideration.

1.2 Number of exchange students

The number of students to be sent from Toulouse INP and from Universidad de Cuenca will not exceed respectively 8 for each year. Toulouse INP-ENSAT, Toulouse INP-ENSIACET, Toulouse INP-ENSEEIH and Toulouse INP-ENIT will respectively receive a maximum of two students from Universidad de la Cuenca per each year. The exchange will result in a learning agreement signed by Universidad de Cuenca and Toulouse INP.

1.3 Duration

In principle, the period of stay for each exchange student at the host institution will be one semester or one full academic year.

1.4 Tuition exemption

The exchange programme is based on the principle of reciprocity. The exchange students will remain enrolled at their home institution where they pay their tuition and other related fees. The host institution will exempt relevant fees for admission, examination and tuition for the exchange students.

1.5 Credit transfer

At the end of the semester, the host institution will send an official academic transcript for each exchange student to his or her home institution. It shall be the sole responsibility of the home University to decide how many transfer credit units the student may actually receive for courses taken at the host University.
